ST. LUKE &  
ST. MATTHEW

August 28, 2020

Dear friends in Christ

*Let love be genuine; hate what is evil, hold fast to what is good; love one another with mutual affection; outdo one another in showing honor. Do not lag in zeal, be ardent in spirit, serve the Lord. Rejoice in hope, be patient in suffering, persevere in prayer. Contribute to the needs of the saints; extend hospitality to strangers. Romans 12*

Grace and peace to you from our Lord Jesus Christ.

The summer is drawing to a close and our liturgical focus shifts to Fall and later in November to Advent. In this very unique year of challenges there is a lot happening for us as a parish, and for the wider world. The pandemic, the economic fallout, the continued shooting of young black and brown people, protests and walkouts, and a bitter few weeks as we head toward November 3. And we have two major construction projects underway. May the Lord have mercy on us and guide us!

### **In-person services – When can they resume?**

As you are aware the resumption of in-person worship is no simple matter. Before summer the vestry agreed that we would not resume in-person services for Morning Prayer until at least September and the online offering would continue. Bishop Provenzano formed a task force charged with developing guidelines for in-person worship. He adopted a four-phase plan. We are currently in Phase B, which permits in-person worship for Morning Prayer.

Phase C will permit in-person worship of the Holy Eucharist. It was my intention to continue the online MP service until such time as the Bishop permits Phase C to be implemented, hoping that we could resume in-person worship on September 20, the Feast of St Matthew. However, at a meeting last Thursday he indicated to the clergy that the task force was waiting to see the outcome of school reopenings and whether any spike in infections occurs, before recommending Phase C begin, which could be late September or October, or later.

Phase C will have stringent health and liturgical restrictions that will be imposed by the parish and Diocese for any resumption of in-person services. They are max 25 people per service, no hymn singing, no choirs, no fans or AC, face masks for all, 6-10 ft separation, no coffee hour, contact tracing recording, and detailed bathroom cleans between persons. The largest impact is 25 person max. per service as this would mean 3 – 4 services per Sunday to accommodate our parish.

So, I do intend to commence in-person worship for Eucharist once the Bishop authorizes Phase C to begin. We will require registration for the service so you don't turn up and cannot get in. It will also indicate to me how many services will be required. The services will be shortened to approx. 30 mins. Our online service of Morning Prayer will continue indefinitely. So you may choose to attend in person once a month and worship online for the remaining Sundays.

Once we have a green light for Phase C we will update you on when we will resume.
